Summary

Hey there I'm Harsh Chaudhari From Mumbai
About↘#
My Skills:
As a frontend developer, I am passionate about creating exceptional web experiences that engage and delight users.I have honed my skills in HTML, CSS, JavaScript, Git, Jquery, WordPress
My expertise lies in translating design concepts into pixel-perfect, cross-browser compatible, and accessible websites that provide exceptional (Ux)user experiences.
Apart from tech skills:
Im a strong communicator and a collaborative team player. I enjoy working with cross-functional teams and actively contribute to the project's success through my expertise and creativity. My strong problem-solving skills and attention to detail ensure that I deliver high-quality work.
Bout me:
Well im constantly learning and staying up-to-date with the latest web technologies and best practices to ensure that my code is always modern and optimized. My goal is to create exceptional web experiences that drive business results and provide value to users.
Skills:
*Front-end technologies: HTML5, CSS3,Bootstrap, JavaScript, Jquery
*Collaborative teamwork
*Strong problem-solving skills
*WordPress
*Shopify
